

The Gold & Blue Pages 2007

The Scotch College Community Business Directory

Dear Scotch Community Member

The Scotch College and Community Business Directory, The Gold and Blue Pages, is back in 2007 as a component of the popular Parents & Friends Student Directory.

The College would like to invite parents, Old Collegians and other members of our community to capitalise on a very cost-effective marketing opportunity by advertising in the 2007 edition. The directory listings are A-Z and include contact details for businesses, venues, suppliers, performers, consultants and other professional services – just about anything you could possibly need!

The 2007 Parents & Friends Student Directory will be issued in the early weeks of Term 1 next year. This will ensure that your advertisement has a full year's exposure to the Scotch community.

If you are interested in advertising in the Directory you should complete and return the application form by January 22, 2007.

We thank you for your interest and look forward to seeing your entry in the directory – if you have any questions please contact the Development Office on (08) 8274 4256 or jrushforth@scotch.sa.edu.au.
