'PAVING OUR FUTURE'

Instructions

Please follow these steps when creating your hand drawn image, otherwise the quality of reproductions will be affected.

- ✔ Draw your image in the box below
- ✔ Draw your image using good quality medium thickness black marker pen (about 2mm thick). Do not use ball point pen!
- ✔ Make sure that you rub out any pencil lines as these will show up on the finished paver.
- ✔ Do not include computer generated or pasted pictures as the hand drawn image engraving process is set up to engrave hand drawn pictures and writing only.

If you wish to simply have your name (or message) engraved onto the paver then use the squares below.

Details for engraving:
Please print clearly. Each square represents one letter, number, punctuation mark or space (32 max).
