**Sibling Rebates**

Discounts to brothers and sisters in order of birth are allowed as follows:

- 10% for second child
- 15% for third child
- 25% for fourth and subsequent children
- 10% for boarding siblings with the full fee for the first child

Note: Rebates only apply to tuition fees for R to 12 and boarding fees for Years 7 to 12 where students of the same fee paying parent attend at the same time.

**Rebates for Payments in Advance**

2% discount is applied when annual fee is paid in full prior to 15 January 2020.

**Scotch College Scholarships**

Scotch College offers a range of student scholarships based on general excellence and academic achievement.

Family sibling discounts do not apply to a scholarship holder. Please refer to the College website (www.scotch.sa.edu.au) for further details relating to scholarships.

**Conditions for Payment of Fees**

Your enrolment agreement identifies specific conditions for payment of fees.

**One Fee Policy**

In 2010 Scotch College restructured the fees list and initiated a One Fee Policy.

The “One Fee Policy” for annual fees across all year levels now includes the extra disbursement charges which, until 2010, had been on-charged to a family account. This provides a far improved and more transparent fee structure which identifies the true value of annual tuition and all the core subject components which are included.

The only extra disbursements which may appear on a family account will be for non-core-curriculum activities such as co-curricular music, rowing, fencing and sporting teams, P&F levy and other minor ad-hoc charges that a family may elect to put on their account.

The student ‘booklist’ is for text books and other minor subject specific consumables and is paid separately direct to the supplier.

The cost of the College uniform is an additional cost which varies according to the year level of the student.

**Entry Fee and Disbursements Deposit for 2020**

An entry fee of $1,000 is payable on acceptance of offer as confirmation of enrolment. $500 is allocated to Life Membership of the Scotch College Old Collegians Association. The remaining $500 is retained by the College. A disbursements deposit of $100 is debited to the first account in respect of each student and is held until that student leaves the College.

**Holding Fee - Enrolment**

This fee is payable on acceptance of offer and confirmation of enrolment and is non-refundable. However, can be credited towards the first tuition fee statement issued by the College for the mutually agreed start date if all enrolment and payment conditions are met. The Holding Fee - enrolment is $2,000.

**Holding Fee - Absence**

A non-refundable charge which equates to 50% of the relevant fee is levied when a place is held for a student taking leave of absence for a term or longer.

**Laptop**

The cost of obtaining a laptop is not included in the tuition fee. For more information on laptop purchase, please see overleaf.

The College Council has determined that this scale of fees and conditions shall apply for the 2020 school year.

**Approved: Council of Governors, 30 October 2019. Issued 18 November 2019.**
Scotch College, like many independent schools or colleges, relies on the prompt payment of fees to enable the College to operate. To facilitate payment, we offer a variety of methods.

**Payment by Term Statement**

**BPay**

Full payment of each term statement can be made with BPay. Contact your financial institution for terms and conditions. Our biller code, 45542, and your reference number appear on your statement.

**Credit card, cheque or cash**

Mastercard, Visa and American Express payments are accepted. A 1% credit card surcharge will apply. Credit card payments can be made online from your Scotch account through the family portal at https://familyportal.scotch.sa.edu.au

Non-cash payments can also be posted to the Administration Office, Scotch College Adelaide, PO Box 271, Mitcham SA 5062

Paying in person: Present your statement with payment to Reception, Torrens Park Campus, Monday to Friday: 8.00am-4.30pm

**Payment by Monthly Instalment**

**Monthly Payment**

Pay your account automatically from your nominated bank by direct debit only. Payments are spread over 10 months from February to November. To calculate the monthly debit amount, divide the annual tuition fee by 10. The first monthly payment is due on 1 February and all subsequent payments will be deducted on the 1st working day of each month.

To establish a direct debit, please contact the Administration Office on 08 8274 4204.

Note: All disbursements must be paid by the due date indicated on each statement.

**Extra Charges**

If students undertake voluntary programs/activities, additional fees will be charged.

**Prompt Payment**

Our policy that outstanding fees and disbursements are settled within the prescribed terms is strictly enforced. If fees remain unpaid, students may not be permitted to return to the College at the beginning of the next term.

Where fees remain unpaid, students will be ineligible for optional interstate or overseas school trips without the Principal’s prior approval.

A copy of the official Debtor Policy is available on the College website www.scotch.sa.edu.au. If you have a particular payment difficulty, please contact the Administration Office on 08 8274 4204.

Please note: The College Council of Governors allocates some funding annually to assist parents whose financial circumstances change significantly after the student has enrolled at the College. Depending on the circumstances, discretionary short-term financial assistance may be provided to allow students to continue their education at Scotch. Parents are invited to make bursary applications to the Principal if in genuine need of financial assistance. Such applications will be dealt with in the strictest confidence and are renewable at least annually, without exception.

**Administration Charge**

A late payment administration fee of $55 will be charged on accounts more than 14 days overdue.

**Interest on Overdue Fees**

Interest on overdue accounts is charged at the prevailing published rate of the National Australia Bank for commercial overdrafts on the date the interest charge is levied on the account by the College. (See Debtor Policy)

**Divorce or Separation**

The College advises that if both parents have signed the Enrolment Agreement, a parent cannot remove himself or herself from the Enrolment Agreement without the College’s and the other parent’s consent. This means that unless the College agrees, the legal liability for fees remains in accordance with the Enrolment Agreement.

**The Pre-Paid Education Plan**

Under the Pre-Paid Education Plan, parents (or others) may pay tuition fees in advance on a term-by-term basis at today’s fees, thereby spreading their financial commitment over a long period and hedging against fee increases.

Pre-payments must be at least 12 months in advance of redemption. A pre-paid certificate will be issued at the time of purchase and the payment applied against fees during the nominated term and year. For further information, please contact the Administration Office on 08 8274 4204.

**Information Communications Technology Program**

The College is totally committed to the use of technology across the curriculum and is developing an approach to learning which allows students greater flexibility as they approach the ever-changing world. Apple Australia has recognised this commitment by declaring Scotch College an Innovative Technology Site.

Students must have a laptop computer of a type and design approved by the College.

All students in Years 7 to 10 must have an Apple laptop computer. Students in Years 11 or 12 may have either an Apple or a Windows laptop computer.

International students must purchase a laptop through the College’s preferred supplier. A student who already owns a laptop must have it checked and approved by the College to ensure its suitability, prior to school commencing.

An English language operating system on the laptop computer is essential as it enables in-house technical support, it encourages the use of English by those students for who English is a second language, and it enables teachers to give more assistance in the classroom.

Parents considering enrolling their child in Years 7 to 12 should contact the College for further information regarding indicative prices for the purchase of a laptop computer.

This fee list is also known as the College Fee Schedule in similar College documentation.
