

Scholarships at Scotch College Adelaide

Scotch College Adelaide values student excellence and diversity and seeks to recognise this through the provision of a number of scholarships each year. Scholarships are awarded to encourage and recognise meritorious achievement and potential. Scholarships are offered at different year levels based on the assessment of specific criteria.

The following is additional and important information regarding selection criteria, enrolment and fee remissions, requirements, and expectations of scholarship holders at Scotch College Adelaide.

Expectations of all Scholarship holders:

All scholarships are reviewed annually. All scholarship holders must meet the following expectations if they are to continue to receive the award:

1. Scholarship holders are role models and ambassadors of the College, demonstrating high standards of behaviour, manners, and dress at all times. They must set a positive example to the rest of the College; in particular those younger than themselves.
2. The scholarship holder should maintain a high commitment to their studies, best demonstrated by their attitude, effort, and grades.
3. Scholarship recipients will need to be engaged in an extra area of interest within the College, across the co-curriculum program.
4. The scholarship holders shall consistently reflect the values of the College in their demeanor, including acting with honesty, integrity and leadership.
5. The scholar must keep details of their scholarship confidential and not discuss it with other students, friends, or people outside their immediate family.
6. Scholarship holders will actively participate in an annual review regarding their ability to meet all of the specified expectations of scholarship recipients.
7. If the scholar does not exceed the above requirements this may result in a process of review, that recommends that a scholarship is not renewed at the end of the academic year, or in some extreme cases, being withdrawn immediately.

The David Freebairn Memorial Scholarship seeks to honour the legacy of David Youl Freebairn, a former Scotch student and is awarded to one student in year 9 for a period of 4 years. The scholarship provides 100% remission of tuition fees, full remission of application and enrolment fees as well as provision for school uniform, books, stationery and laptop. The scholarship will be awarded to a meritorious student, based on financial need, and is open to external students only. Means testing will be required as part of the scholarship process.

Expectations for the David Freebairn Memorial Scholarship:

- Maintain a high level of academic commitment demonstrating a passion for lifelong learning and achievement.

- Participate fully in opportunities for co-curricular and enrichment, seeking leadership through being an effective role model within the College.
- The family will be expected to participate in the school community, attending School activities and events (particularly in relation to their child's activities) and in school community groups.
- The recipient will be expected to provide feedback to the College about the impact of the scholarship on an annual basis during their schooling and, from time to time, as an Old Collegian. While at Scotch College the recipient will also be expected to garner a comprehensive understanding of the educational and vocational journey of David Youl Freebairn.

Any enquires relating to scholarships should be directed to the Director of Admissions at enrolments@scotch.sa.edu.au
