Semester 2	28 May 2024	11 June 2024
End of Year	10 December 2024	17 December 2024

### PAYMENT OBLIGATIONS

Our policy that outstanding fees and disbursements are settled within the prescribed terms is strictly enforced. Responsibility for payment of College accounts rests with those person(s) who signed under the Enrolment Agreement to be liable for College fees. If both parents signed the Enrolment Agreement, a parent cannot remove themselves from that agreement without the College's and the other parent's consent. This means that unless the College agrees, the legal liability for fees remains in accordance with the Enrolment Agreement.

In addition to this Fee Schedule, for further terms and conditions regarding payment please refer to your Enrolment Agreement and the Debtor Policy (available from the College's website).
