2 Appearance

Hair

The College acknowledges that students may use their hair to express their individuality given they are unable to do this with their uniform. However, the following guidelines must be adhered to:

- Hair must be neat, tidy, and clean.
- Hair must be worn in an 'appropriate fashion' – the College acknowledges that what is deemed an appropriate fashion may change over periods of time.
- There are to be no vibrant or unnatural colours; any colours are to be blended and not significantly contrasting.
- Long hair (past the collar) must be fully tied back with a neutral or black hair tie and off the face.
- A white, fire-engine red, gold, or navy coloured ribbon is permitted in the hair.

No nail polish and no false nails to be worn for hygiene and safety reasons.

Make Up

Students may wear make-up that is appropriate for 'everyday' wear.

Facial Hair

Students must be clean shaven, unless an appropriate reason applies.

3 Contravention

The College uses a 'common-sense' approach in managing the uniform and appearance expectations outlined in this policy. The College believes these expectations are reasonable, and therefore expects students to comply with these with relative ease. The College does not expect to have College Staff spending considerable time and resources following up on the incorrect uniform and appearance of students.

- The College will manage the contravention of expectations outlined in this policy using the Student Management Procedure.
- College staff will confiscate uniform items when their wearing or use is not adhered to the standards outlined in this policy. Confiscated items will be given to the student's Head of House or Head of School, and items may be held for a period before returned.
- The College will give a reasonable timeframe (ranging from immediately to 7-days) to rectify issues regarding uniform and appearance in the first instance. Failure to do-so will result in consequences as per the Student Management Procedure.
- At times students may have reason not to comply with the expectations outlined in this policy. In these instances, an exemption must be requested from the relevant Head of School.
